THIS IS UNEVALUATED INFORMATION

50X1-HUM

1. The following is a list of personnel employed in the Uranium Mining Enterprises of the Wismut Corporation as of September 1949:

Major General Maltsev

General Manager of the Wismut Corporation in Germany. Headquarters, Chemnitz-Siegmarsburg area. Maltsev headed all Objects in the Erzgebirge area. So far there are about 25 Objects in this area composed of 260 to 280 mines.

Panchev

Technical manager of the Wismut Corporation
in Germany. Headquarters, Chemnitz-Siegmars.

Major Polonsky

Formerly a lieutenant colonel and manager
of Object No. 1 from 1947 - 1948.

Prokein

Woman interpreter for Polonsky until 1948. She then worked for the doctor of Object No. 1.

Lt. Col. Bakhalov

He was the first object manager of Object No. 1 (since 1946). He presumably is now in Chemnitz-Siegmara.

Durnovo, mine manager

He was the third manager of the Frisch Glück mine (from 1946 to early 1947). He was then transferred to Freiberg as mine manager. He is now assigned to the main administration in Chemnitz. He signed the orders dated 3 January 1947 and 22 December 1946.

Trofimoff, mine manager

He was the fourth manager of the Frisch Glück Mine (since 1947). He was transferred to Chemnitz.

Bichkov, mine manager

He was the fifth manager of the Frisch
Glick Mine and still holds this position.
